TERMS OF REFERENCE

Dr. Don F. Tavares Graduate Teaching Award in Chemistry

The Dr. Don F. Tavares Award was established in 1989 in honour of Dr. Don F. Tavares, who joined the chemistry department at the University of Alberta (Calgary) in 1961 and taught organic chemistry for most of his years at the University of Calgary.

Donor: Family and Friends of Dr. Don F. Tavares

Department: Chemistry

Value: To match the annual endowment allocation amount as determined by the university; minimum $3,000

Number: One (1) (or more if approved by the award donor contact; where the value will be split equally)

Eligibility: Open to all graduate teaching assistants in the Department of Chemistry at the University of Calgary

Citizenship: Unrestricted

Selection Process: To be awarded to the best graduate student teaching assistant in the Department of Chemistry on an annual basis. The recipient will be chosen by the department and will be based on student and faculty input, including undergraduate student surveys. If a worthy award recipient is not found in a given year, the funds will remain in the endowment for the following year.

Apply: No application required. Eligible teaching assistants will automatically be considered by the department for nomination.

Date: Amended on July 23, 2019
