

**FACULTY OF SCIENCE  
UNIVERSITY OF CALGARY**

**DR. DON F. TAVARES AWARD**

**TERMS OF REFERENCE**

To be awarded to the best Graduate Student Teaching Assistant in the Department of Chemistry on an annual basis.

The winner will be chosen by the Department and will be based on student and faculty input, including undergraduate student surveys.

The value of the award will be \$1500.00.

As the endowment grows, the maximum award value shall be \$2500.00 and the award configuration reassessed with the donors at this stage.

If a worthy award recipient is not found in a given year, the funds will remain in the endowment for the following year.

Although it is the donors' preference that an award be extended to a single recipient, they defer to administrators the decision to grant two awards should there be two equally deserving recipients.
