Qualifying/Candidacy Pre-Examination Form

Student’s Name: ___________________________  UCID: ______________________________
Supervisor: _______________________________  Pre-Examination Date: _________________
Qualifying Exam ☐  Candidacy Exam ☐

Core topics for oral examination based upon research sub-discipline and proposal. (Topics should be indicated at a level of specificity such as, for example, 'kinetics at a third year level' rather than simply 'physical chemistry', or 'theory and practice of NMR' rather than 'characterization techniques'.)
