The Department of Physics and Astronomy at the University of Calgary is offering application fee relief to select students in high academic standing from the following two groups: a) those who are experiencing strong financial burden; b) members of underrepresented groups in physics and astronomy, including but not limited to women, Indigenous persons, Black persons, and persons with disabilities. To apply for this application fee relief, please send the following documents to the Associate Head Equity, Diversity, and Inclusion, Dr. Sean Stotyn, at sean.stotyn@ucalgary.ca:

- an unofficial transcript
- a maximum one-page document stating a) your name and contact information, b) who your proposed supervisor is, and c) which of the two groups above (or both) you are applying for and an explanation of the reason you wish to receive the relief.

To be considered for this application fee relief, you must submit these documents no later than **Dec. 15, 2020.**
